# Memorandum

TO : DIRECTOR, FBI  
(ATTN: FBI LABORATORY)

DATE: 4/25/77

FROM : SAC, LAS VEGAS (62-NEW)

SUBJECT:   
ROBERT A. MAHEU  
MISCELLANEOUS INFORMATION  
CONCERNING

770506032

Enclosed herewith for the Laboratory are ten legal size sheets of paper bearing various handwriting.

Enclosed handwriting exemplars are from  and ROBERT A. MAHEU, and were given in connection with the prosecution of MAHEU and  regarding the stock manipulation in the purchase of Hughes Air West.

USA LAWRENCE J. SEMENZA advised that these handwriting exemplars were given in connection with this suit, and will probably become evidence in a perjury investigation in connection with that case. He said the exemplars have to be returned to the individuals who gave them. However, prior to the returning of these exemplars he wishes that they be photographed by the FBI Laboratory so that they may be used in a handwriting comparison and this handwriting will be furnished by him at a later date.

The Laboratory is requested to photograph and examine the enclosed exemplars for future possible use in connection with a Bureau investigation and to immediately return the originals to the Las Vegas Office so that they may be returned to the USA's Office.

## Result of examination:

It was determined that the handwriting on specimen Q2 was not prepared by ROBERT A. MAHEU, the writer of specimen K2.

Because of the presence of some discrepancies in the known and questioned writings and the possibility of those divergent characteristics being attributable to deliberate distortion, [REDACTED] the writer of specimen K1, could not be definitely established as the writer of specimen Q2. However, significant characteristics, noted as a result of comparing those writings, indicate that [REDACTED] should not be eliminated as a suspect in the preparation of specimen Q2.

b6  
b7C

Because of the lack of sufficient comparable writing for a satisfactory examination, no conclusion was reached as a result of such examination as could be made of the writings on specimen Q1 with the known writings of MAHEU and [REDACTED]

However, differences, noted as a result of such examination as could be made, indicate that the writings on specimen Q1 probably were not prepared by MAHEU.
